Lovely beach home just 250 meters to your own private beach in one of the nicest areas along the Central Pacific. Playa Bejuco has continually won the “ Ecological Blue Flag Beach Award”, locally known as the Bandera Azul. This coveted award, granted to only 35 beaches in the entire country, is the highest recognition that Costa Rica offers for quality of its ocean and drinking waters as well as the cleanliness of the beach area. This 2 bedroom, 2 bath house has a nice yard with room for a pool in the backyard. There is central A/C, cable/internet, outdoor shower, wood cabinets, vaulted ceiling with exposed wood beams and a car-port (which can be converted into a garage). It comes partially furnished and this is a perfect beach home for someone looking to come down to escape the big city or just relax away in the sun. The pool and club house are just around the corner... You will not find a better priced home in the area! Bejuco is 20 mins south of the town of Jaco and 2 hours from San Jose.
